

Tuition Payment Plan Policies and Guidelines

The Center for Professional Education (CPE) offers a tuition payment plan for most cohort style certificate programs as an alternative to paying tuition in full at the start of each term. The standard plan splits student tuition into three payments. Shorter programs split tuition into 2 equal payments. Often, the payments occur monthly, but students are welcome to contact cpe@austin.utexas.edu to request alternate payment intervals. Please note, books not included in the tuition must be purchased by the student. Students who wish to use the Tuition Payment Plan must read and sign the application below confirming that the Terms and Conditions of the plan and [CPE Policies and Procedures](#) have been understood and agreed to before enrolling in any certificate program.

Terms and Conditions

- Tuition Payment Plan enrollment requires an initial payment of a \$125 non-refundable payment plan administrative fee plus 50% of the program fee. The second payment will be for half of the remaining balance and the final payment will be for the remaining amount due.
- The second and final payment installments are due at the agreed upon dates listed on the application form (shorter programs do not qualify for a 3rd payment). Often, the payments are scheduled to 30 and 60 days after the initial payment, but students are welcome to contact cpe@austin.utexas.edu to request alternate payment intervals.
- Arrangements to pay by check may be established by contacting the CPE Registrar. Please make all checks payable to The University of Texas at Austin.
- CPE requires a credit card on file with recurring payment date(s) even if paying by check. Please note: CPE is not responsible for contacting the student when processing payment on the due date established.
- Underpayment, late payments or payment extensions will result in a \$65 fee per occurrence. A \$25 fee will be assessed each time a card is declined or a check is returned.
- Failure to make your required payment plus any assessed fees on the due date established will result in the student being dropped from the course. Students will be required to re-enroll in the program once this has occurred.
- The student is responsible for the full cost of the registration and fees should a request to withdraw be made. Refunds will not be granted on cancellations.
- The student understands payment terms and agrees to payments as stated in the Tuition Payment Plan Application.
- The student account must be paid in full prior to the last day of the program in order to receive a certificate and earn any continuing education hours.
- It is the student's responsibility to monitor their accounts and installment amounts.

Plan Basics

- Students must be registered and have accounts in good standing.
- Upon enrollment, all CPE correspondence (including confirmation of enrollment) is sent to the student's email address on file.
- Most online courses are excluded from the Payment Plan option. Please contact an enrollment coordinator or the CPE Registrar for eligible programs.
- CPE reserves the right to drop unpaid registrations at any time without prior notice.
- Students may check their remaining balance by contacting the CPE Registrar at 512-232-6520.
