Rajan Robinson

Credentials and Experience

Rajan Robinson, PMP, is a project manager (PM) and Veteran and received his project management certification in 2015. He has been a PM for fifteen years. He had the fortunate opportunity to serve in the U.S. Army Medical Corp for thirty-plus years. Robinson has been a project manager and team member for large and small projects. Many of his project accomplishments were either healthcare or workforce development within business plan expectations of qualitative and quantitative performance results. Robinson is currently a member of his local chapter project management board as the VP of Programs and Professional Development.

He received a master's degree in health service management. He is currently certified in Professional in Human Resources. He is currently certified in LEED AP Building Design & Construction and LEED AP Homes. He received his credential as a Well Accredited Professional.
