Development**

## Nikki Hendricks

### Credentials and Experience

Nikki Hendricks is the Senior Cybersecurity Education Specialist for Expanding Pathways in Computing (EPIC) at Texas Advanced Computing Center (TACC) at UT Austin. Hendricks is a Cybersecurity Analyst graduate and a professional educator with twenty years of experience. She incorporates hands-on learning with a cyber range while teaching Cybersecurity principles, firewalls, vulnerability patching, performance monitoring tools, and security management both on Windows OS and Linux OS. Hendricks is also a frequent speaker on building capacity for cybersecurity in our schools and investing in our nation's middle school and high school cybersecurity educators. Hendricks holds several industry certifications including the CompTIA Cybersecurity Analyst, Security+, Project+, Network+, and A+.
